

**THE EDGBASTON PRIVATE MEDICAL PRACTICE**  
**THE PATIENT GUIDE**

The Edgbaston Private Medical Practice provides a wide range of private GP services in addition to non-invasive cosmetic procedures and occupational health services for individuals, families, companies and firms. The practice aims to provide an excellent standard of care, meeting the needs of all patients and clients whilst providing a flexible service which will fit around you.

The Edgbaston Private Medical Practice is regulated by the CQC (Care Quality Commission).  
ID Number: 1-2505010636

The CQC is a regulatory body who ensures hospitals, care homes, dental and GP surgeries, and all other care services within England provide people with safe, effective, compassionate and high-quality care.

**TERMS & CONDITIONS OF SERVICE**

The Edgbaston Private Medical Practice provides a full range of medical services as expected of any general medical practice. Routine antenatal care is not normally provided but can be organised via a local Obstetrician. Other than this, the full range of services includes consultation, examination, diagnosis and management of the physical, social and psychological needs of individuals and families.

**Provision of medical services includes the following, (this is not exhaustive):**

- Prevention, diagnosis and management of: Coronary heart disease, gastro-intestinal disease such as ulcers, colitis, bowel cancer and piles, cancer of all areas of the body, gynaecological problems such as difficulties with menstruation cycles, management of menopause and HRT, breathing difficulties.
- Chronic disease management including hypertension, diabetes and asthma.
- We also carry out health screening including cervical smears and advice with regards to breast screening.
- Executive medical screens are carried out for both individuals and companies.
- We carry out general medical diagnosis and management, with the provision of private prescriptions if required.

***List of Private GP services:***

- Administration of *Botulinum* toxin (Botox)
- Blood tests and serology
- Cervical smears

- Pre-placement medicals

- Personalised medical testing e.g. bloods, urine, ECG
- Referral for X-rays, CT scans, MRI scans or to consultants
- Regular health checks for day and night workers
- Seasonal flu vaccinations
- Visas Medicals

## **HOURS OF BUSINESS**

Business hours are from 9.00am – 18.00pm Monday to Friday, Thursday late night opening until 7pm. Saturdays 9.00am – 1.00pm. Early morning and late evening appointments can be arranged on mutual agreement with the clinician.

## **OUT OF HOURS**

Emergency services are not routinely supplied by the Edgbaston Private Medical Practice. Patients are referred to out-of-hours services offered by the NHS.

Under no circumstance should urgent messages be left on the answer phone.

## **CONSULTATIONS**

Consultations generally last 20 minutes, but longer appointments can be arranged upon request or under specific circumstances such as during health screens and medical examinations.

Patients, even those living abroad, can request appointments by email, telephone or using our online booking system.

## **HEALTH SCREENING**

The practice offers annual health screening to all adults. The health check includes a comprehensive assessment of the individual's physical and mental health with appropriate investigations, reports and follow-ups.

## **TRAVEL VACCINATIONS**

The practice offers a full range of travel vaccinations and advice service.

## **PRACTICE POLICY**

The practice does not hold special clinics for chronic diseases such as asthma, diabetes or hypertension. These issues are dealt with during routine consultations.

## RESULTS OF INVESTIGATIONS

Most results are received within 24-48 hours, although some can take up to 2 weeks. The patient will be informed by telephone if the result is abnormal. A copy of all test results is emailed or posted to the patient and/or their NHS GP, in accordance with the patient's wishes.

## REPEAT PRESCRIPTIONS

Patients on regular medication requiring repeat prescriptions may telephone, post, fax or email a request. Patients are always advised not to wait until medication has run out.

## AMOUNT & METHOD OF PAYMENT OF CHARGES

An up-to date fee schedule is noted below. This is changed annually on 01 August.

By individual request to staff members, costs for X-rays and individual blood tests will be given. It is a requirement of the practice that no test or procedure will be carried out unless the client has been informed of the charges that will be incurred and has given their informed consent.

## PAYMENT

Almost all of our patients now pay via credit or debit card. Everything is payable at the time of the consultation and before leaving the building. Cheque payments are not accepted.

Companies will be invoiced separately. Payment is expected from companies within two weeks from the date of the invoice release.

## CHARGES FOR TREATMENT

Please see below for a full list of practice fees. For a quotation on medical tests and investigations please contact the practice on 0121 454 9535.

Please note that UK insurance companies do not cover fees for visits to GPs, however, tests and X-rays are usually covered. Overseas insurance companies do cover fees for GP visits, tests, investigations and X-rays. We advise patients check with their respective insurance companies before attendance.
